

## THE DARENTH SENIORS – COVID-RELATED LOCAL RULES

In line with England Golf Guidance and Recommendations the following stipulations will apply for the duration of current pandemic situation.

Due to loose interpretations of what 12 inches looks like, the benefit of 12 inch gimmees has been rescinded as a Local Rule. **All putts are to be sunk.**

In a bunker, where a ball lies in a footprint or unkempt sand, relief may be obtained by placing the ball, once, within six inches from point of relief. (The area cannot be smoothed before placing). *And this doesn't mean you can move it just because your ball is sitting down a little, and you want a better lie!*

**NEW:** Advisory, the option of **Stroke and Distance** relief for a lost ball must **NOT** be employed in any **Qualifying** game, which is what we are only playing at the moment.

At commencement of play having collected cards from the Starter, decide within your playing group who is to mark who's card. Each Marker makes out the card for his Player entering the Player's name, handicap and date. He also prints his name as the Marker. He records the Player's scores, keeping a record of his own as usual. At the end of the round, all the Player needs to do is to verbally agree with Marker that the scores are correct. There is no need for the Player to have any contact with his own card. All cards will be deposited in a receptacle, possibly held by the Starter, to be clarified on the day. (The cards will be collected and after a period of quarantine will be entered into the system, and duly published on the web site).

(See below for Start Times)

The Darenth

**Competition Start Sheet - Seniors Medal ( SC )**

**Thursday 17 September 2020 at The Darenth (Main).**

**Printed: 15 September 2020**
