

Your Seniors Committee are arranging for an order to be raised for new team polo shirts, long sleeved pullovers and sleeveless jumpers.

Brian Vickers has kindly agree to co-ordinate the order. To achieve this Brian will be asking what (if anything) you would like. He hopes to do this on Thursday this week and next Monday.

Manufacturer and cost will be determined, and advised, once the provisional order is placed.

Anyone not at the Club on these days please send Brian a message with what you would like to have. Stating size, SM, M, L, XL, XXL.
