

## **TEXAS SCRAMBLE (Delaney)**

Summer Tees (April to September): - White

Winter Tees (October to March):- Yellow

**FORMAT:** Teams of four (three if necessary).

**RULES:** All players drive on every hole and then decide which ball is to be played; and its position marked (the ball is then picked up as that player cannot play the next shot). The other players place their ball within six inches of the marker if on the fairway, or drop their ball within a club length if in the rough (**not nearer the hole but still within the confines of the rough, not onto any nearby fairway**). If it is on the green, then their ball is placed as normal. All players play their next shot from this position. **N.B. The player whose drive is selected for the first shot cannot use his ball for the second shot. Play is continued in this way whereby the player who has his ball selected anywhere on the course up to the green may not use his ball for the following shot. Once on the green all players can putt.**

A minimum of four tee shots must be selected by team for each player to be recorded on the score card (**minimum of five tee shots for a three ball team**)

**HANDICAP ALLOWANCE:**

4 players – 10% of combined playing handicaps (rounded to 1 decimal place)

3 players – 1/6th of combined playing handicaps (rounded to 1 decimal place).

**SCORING:** Gross score for each to be recorded, with the team handicap allowance deducted from the round total to arrive at net score for 18 holes.

**DRAW:** Random draw for teams will be made by selecting 2 players from each half of entrants in handicap sequence. In the event of an odd number of players, there will be up to 3 three ball teams.

**WINNERS:** Team with the best net score over 18 holes.

**TIE BREAKS:** Normal count-back rules apply.

**If less than 25% of players complete their round, the prize money will be returned to the players (or donated to the Captain's Charity if the players so wish)**

Created 18/2/2011, amended 26/4/2013.
