

ECLECTIC COMPETITION

All members are automatically included in this competition!

Cards resulting from the 12 Medal/Stableford competitions held during April-September (marked S/C on programme) are entered into the Eclectic competition.

The best gross score achieved on each hole for the nominated rounds will be recorded. Please note the following:-

- 1. Scores achieved on main greens and up to two temporary greens will be allowed and recorded. If there are more than two temporary greens, the competition would not be a Qualifier and therefore not count for the Eclectic.**
- 2. Any score card which is subsequently disqualified from a Qualifier will not be eligible for entry towards the eclectic.**
- 3. Signed score cards submitted as NO RETURNS will count as an entry and individual scores will be allowed and recorded where achieved.**

18-hole best gross totals will be reduced by 50% of the individual's Course Handicap (CH) at the close of competition to produce a net score.

The player with the best net score will be declared the winner.

In the event of a tie, the winner will be decided by the normal count back rules.
